# Huỳnh Đức Mạnh

Graphic Designer | 3D Artist

I'm a 3D Motion Graphic Designer with 5 years of experience in graphic design and digital content. I specialize in CGI product videos and Fake OOH campaigns, with strong skills in short product animations, high-quality renders, and multi-channel design assets like POSM, packaging, and key visuals.

## Experience

April 2025 - Present

### Freelance | Graphic Designer | 3D Artist

3D Product Visualization & Animation: Realistic product modeling, shading, lighting, and animation using Blender & Cycles CGI for digital campaigns.

Visual storytelling for skincare, makeup, and personal care products.

Motion Design & Compositing: 2D/3D motion graphics, transitions, and product effects using After Effects.

Graphic & Visual Design: Creative assets for digital marketing, social media, and e-commerce (Photoshop, Illustrator).

July 2022 - April 2025

### L'Oréal VietNam | Senior E-Designer

Designed visually appealing digital content and assets for online campaigns and promotions.

Collaborated with teams to create effective and aesthetic e-commerce visuals.

Developed concepts and designs for social media platforms. Utilized 3D software to accelerate design processes and create CGI advertisements.

April 2021 - May 2022

### Soul Specialty Coffee | Graphic Designer

Designed cost-effective and visually appealing packaging for various commercial products.

Created advertisements, reports, and branding materials to support the company's marketing efforts.

Collaborated with team members on both large-scale and smaller design projects.

Oversaw printing performance and maintained print quality control.

March 2019 - May 2020

### Loyal District LTd.co | Graphic Designer

Designed mockup samples of t-shirts and uniforms for both in-house production and customer customization.

Managed and guided interns in the design department.

Created advertisements, reports, and branding materials to enhance the company's visual identity.

Collaborated with the team on design projects and conducted customer consultations.

## Education

(September 2016 - August 2021)

Nông Lâm University  
Bachelor of Engineering - BE, Agricultural Engineering
